

*Buckland Manor*

## Fairytale Perfection...

*Let your wedding story begin at Buckland Manor, where fairytale perfection becomes your reality.*

Buckland Manor is the epitome of timeless elegance, a hidden gem nestled in the heart of the Cotswolds. This exquisite country house hotel is tucked away in a peaceful corner of the charming village of Buckland, perfectly positioned beside the enchanting 13th-century village church. Surrounded by ten acres of gardens and rolling countryside, Buckland Manor offers a setting that feels lifted from the pages of a storybook. The honey-stone manor, untouched by time, provides an atmosphere of romance and tranquillity for your most special day.

With prior arrangement, the historic village church, just steps from the manor, is available to perform a marriage blessing, creating a seamless and memorable transition from ceremony to celebration. Imagine leading your guests through the walled garden, beneath ancient trees and blooming borders, into the welcoming embrace of Buckland Manor for a reception like no other. From the moment you arrive, you'll be enveloped in warmth, exceptional hospitality, and the tantalising flavours of the Cotswolds, crafted from the freshest ingredients from the 'market garden of England'. Here, every detail is lovingly considered, and every moment feels magical.

### GUEST ROOMS

The 15 bedrooms at Buckland Manor are luxuriously appointed and provide the highest standards of comfort, all individually furnished with antiques and fine fabrics. Naturally all come with crisp white linen, plumped up pillows and Vispring beds to guarantee that perfect night's slumber.

### FOOD & WINE

Buckland Manor's talented team of chefs work tirelessly to create mouth-watering menus that are English at their core and stay true to location, whilst remaining innovative and modern. Menus feature fresh local produce from the neighbouring Vale of Evesham, affectionately known as the market garden of England. Fresh herbs are grown in the Manor's own grounds and, as you would expect in a house of this heritage, there is a magnificent wine cellar.
